Cute Journal!

By Laurie H.

This is such a beautiful journal. I am very pleased with my purchase. It has room to write your thoughts and feelings down and a few pages to color too. The only thing is I wish there were more pages to color, but for the price, it is a perfect journal. It would also make a nice gift for that young person in your life, or adult. I bought it for myself and it's a nice journal that I can use for my 'color' therapy and journal at the same time!

Such a nice journal and coloring book

By Temperance Harkins

Such a nice journal and coloring book. Just enough pictures to color without overwhelming the journal part. I also bought one for a gift for a friend.

Awesome Journal

By Lisa

I thought it was a coloring book. I am quite surprised to find it is more of a journal. I fits well with my inner artist.
