# GODS AND HEROES BY ERIC FEKA PDF

In a world where the Gods mingle freely with their worshippers - often incinerating the more annoying ones - religion can be a life or death affair.

The Mad God Monos, who insists that his followers eat meat only on Wednesdays and have, um, relations only during the full moon, had mustered an army and was poised to invade Helvenica. He was determined to drive the old Gods into the spiritual wilderness and establish himself as the One God.

The people of Helvenica needed a hero, a brave warrior to stand up to the usurper and defend their right to eat meat every day and relate whenever they pleased. What they got was Fotio, a reluctant hero with a bad attitude towards religion and a tendency to daydream.

Great read

By Hippy\_Lettuce

Love this book. Take a lazy, half assed thief and dangle a large gem in front of him to steal. He does and ends up being chosen by the Gods to save his world. Here's the kicker, he doesn't believe in the Gods. Has no use for them. Sees them as a bunch of bickering spoilt brats.

And he tells them that. Lo and behold, he is not struck down for his insolence to the higher powers. They have to take the abuse, for they need him.

Add a Keeper of the Faith as his companion in this quest, and it makes for quite a show.

Great plot and great character development. Humor and sarcasm abound in this novel.

Keep em coming!
