## Review

"At last -- Catholic manga that's as good as the popular stuff. It even reads right to left! I overheard my daughter's friend say, 'I always think of popes as always being popes. I never think of them growing up.' This manga will give kids such good thoughts." -- Mike Aquilina Executive Vice-President, St. Paul Center for Biblical Theology, author of many books, "Endorsement"

"There are many books on Pope Benedict XVI, most of which are academic in nature. Precious few of them are intended for younger readers. Habemus Papam is a wonderful contribution to biographical literature on Pope Benedict XVI, and especially helpful in conveying a positive introduction to the Holy Father to a new generation of Catholic youth." -- Christopher Blosser, founder, The Ratzinger Fan Club "Endorsement"

.."captures Pope Benedict's life magnificently...The books are excellent for tweens and teens (and adults, too) and should be spread around. Evangelization comes in many forms and this manga format may just be the answer to those who need to hear the Gospel message." -- Mater et Magistra Magazine "Endorsement"

## About the Author

REGINA DOMAN (AUTHOR) is a Catholic wife, mother, author, and editor. She is a graduate of Franciscan University and owner of Chesterton Press, which specializes in quality Catholic fiction. As a fiction editor, she has worked for Sophia Institute Press and MangaHero and is currently managing editor for the John Paul 2 High teen novel series. Her published books include her one picture book, Angel in the Waters, which has sold over 100,000 copies, and the Fairy Tale Novels, a teen series of fairy tales retold in modern settings with Christian themes interwoven. Her most recent book in the series, Alex O'Donnell & the 40 Cyberthieves, won the Catholic Arts and Letters award in 2011 for Best Young Adult Fiction. She also co-writes the Catholic Philosopher Chick romance novels. Habemus Papam! is her first graphic novel. Regina and her husband live in Virginia's Shenandoah Valley with seven of their eight children and assorted livestock, dogs, and cats. SEAN LAM (ARTIST) is a professional artist specializing in both American-style comic books as well as Japanese anime and manga. In addition to illustrating the Paul: Tarsus to Redemption, Judith: Captive to Conqueror, and Many Are Called manga series, Sean is currently illustrating other graphic novels for the publisher, Manga Hero. His past works include the 480-page single volume

manga, *It Takes A Wizard*, published by Seven Seas Entertainment and several instructional art books, where he was lead artist. A graduate in graphic design from Nanyang Academy of Fine Arts in Singapore, Sean worked in advertising as a creative and art director before pursuing his passion for illustrating.

The story of an extraordinary young man who thought he was ordinary. Young Josef Ratzinger faces a number of challenges growing up in German Bavaria: all he wants to do is learn, but the Nazis keep closing down his schools. His father, Captain Ratzinger, a retired police officer, has been trying to stay one step ahead of the Nazis, but as Josef grows older, Germany moves towards war, and every German youth must serve in the army Hitler has taken over. Little does Josef realize that the plan God has for him goes beyond books and the academy - and even beyond Germany! This graphic novel about the life of Pope Benedict XVI is an expanded version of Gabrielle Gniewek's book that was officially published for World Youth Day 2011 in Madrid, Spain, and distributed to 300,000 people. Also included is a nine page appendix with fun facts about the Benedict, papal vehicles, and the Swiss Guards.

A personal portrait of a private, but great man

By Henry

The author and artist did a fantastic job on painting such a wonderful portrait of the personal side of such a public man. It's even more amazing that the majority of the storyline is based on true events! I think this readable form will definitely make the pope much more relate-able and clears up many common misconceptions about the man, his role, and his reputation. Of the many religious, theological and philosophical books that I've encountered, this one is definitely a truly thought-provoking and deeply touching at the same time. Some of the flashbacks weren't easy to follow, but they made sense in the course of the storyline. I thoroughly enjoyed the biographical, educational, and especially the personal aspects of this novel. I would highly recommend anyone who already has an opinion or wants to have an opinion about the pope to read this and get to know him.

Great gift for all tweens and teens who want to know about a great leader

By Mary G

Habemus Papam: Pope Benedict XVI is a fabulous resource for learning about Pope Benedict ... the man of faith and love who has often been misrepresented, misinterpreted in our secular world. The story, written by renowned Catholic author, Regina Doman, captures Pope Benedict's life magnificently. Within the manga-story telling genre, Doman has captured his fears, his sacrifices, his love of family. But, most importantly, Doman has captured the Holy Father's life-long faith and trust in God's providence, in Divine wisdom.

The book opens with then-Cardinal Joseph Ratzinger at the Papal Conclave. He cannot believe anyone would want him to be Pope. He is scared of the responsibilities and his lack of skills to guide the Church during the turbulent 21st century. But his prayer, his answer to God's call is not "no" but rather a reiteration of the Blessed Mother's: "Thy will be done".

The story then shifts to flashback: to young Joseph's life in pre-Hitler Bavaria; his father's work against the rising Nazi menace; the move from their home-town to get away from possible retributions as Hitler rises to power. As Joseph becomes a teen-ager, pressured to join the Hitler Youth Movement, to join-up and fight for the "Fatherland", Joseph is again filled with fear and uncertainty. But rather than giving up or giving in, he again prays for wisdom and again accepts God's providence and protection: "Thy will be done."

The book continues, describing specific events that defined Benedict's pastoral and academic life and his constant "yes"; bringing the story back to the present and World Youth days and papal activities.

But Habemus Papam is not an in-depth analysis of Pope Benedict's life. Doman avoided the deep theology and Catholic teachings prevalent in so much of Pope Benedict's work in order to make the book attractive to the primary audience: tweens and teens. Instead, she focused on those parts of his life that suit the manga-style: the majestic mountains of Bavaria, the conflicts with the Nazis, the heroism of Pope Benedict's

predecessor, Blessed John Paul II. And the story she weaves is entertaining ... while evangelizing.

I highly recommend this book for all tweens and teens who want to know about the man behind the myths, the man who loves God above all else and puts his faith in Him. Excellent!

A ray of truth amid all the nasty gossip

By Mrs Cookie Baker

I loved this manga story. It is based on very reliable sources and depicts the life of Pope Benedict the Great. The author is very careful to note in back which bits are fictitious, and there are only a couple of parts that just add characterisation.

Very informative about the life of the Vatican too and the changes and challenges that have befallen it. Although in manga form it is very moving in parts, such as where the Holy Father takes the rap for all the evil-doers who have infiltrated the Church, as only Christ would have done, and he even met with victims of abuse and comforted them personally.

I came away with a renewed respect and affection for this holy, humble, erudite yet loving Bible scholar whom we are greatly gifted to have as the leader of the Christian world. Whether folk follow his wise guidance is another matter; there are many rebellious spirits.

This Holy Father is a model of courage and virtue and this book and the illustrations, captures this very well. I warmly recommend this book for Catholics and anyone who would like to learn a little something about what the much derided Papacy really is.
