JEREMIAH: THE FATE OF A PROPHET BY BINYAMIN LAU PDF

In Jeremiah: The Fate of a Prophet, Rabbi Dr. Binyamin Lau breaks down the Book of Jeremiah, rearranging its chapters according to historical events and the chronology of the prophet's life. This groundbreaking reconstruction turns the biblical narrative from a collection of disjointed prophecies into a thrilling account of warring empires and nationalistic struggle, social decay and political intrigue, soaring hope and crushing despair.

New Insights into Prophet Jeremiah

By Dov P Elkins

Jeremiah: The Fate of a Prophet. Binyamin Lau. Maggid Books ([...] Hardcover. 230 Pages. \$24.95. ISBN: 9781592641949.

In Jeremiah: The Fate of a Prophet, Rabbi Dr. Binyamin Lau breaks down the Book of Jeremiah, rearranging its chapters according to historical events and the chronology of the prophet's life. This groundbreaking reconstruction turns the biblical narrative from a collection of disjointed prophecies into a thrilling account of warring empires and nationalistic struggle, social decay and political intrigue, soaring hope and crushing despair.

Jeremiah is one of the major prophets in the Tanakh, and one of the most interesting. Few prophets have been as disparaged, as denounced and disgraced, as Jeremiah. The man fated to be the prophet of destruction tried desperately to eradicate social injustice and corruption, to save the Temple from the impending doom, to be heard. But to no avail: Jeremiah, who so loved his people, was a lonely man, an outcast-persecuted by monarchs, hated by the masses, rejected by all. The prophecy that began with a clear vision of redemption ended in the wailing of Lamentations.

Jeremiah

By Enda

As a catholic i found this book by Rabbi Lau as very helpful indeed, i can now say i understand the book of Jeremiah much clearer now. I have also bought Rabbi Lau past books on the Sages [3 books] very interesting. For me Rabbi Lau is a great teacher and i look forward to his forth coming titles.Rabbi Lau is a light onto the nations.

A new approach to understanding the Prophets

By Shmuel M

Jewish tradition teaches that there were many more prophets and prophecies in the history of Israel than are actually recorded in the Bible. Only those prophecies that have enduring lessons have been recorded. Yet, the reader of the bible often struggles to understand the words and meaning of the latter prophets and certainly looks for ways in which they may be deemed relevant today. R Binyamin Lau has written a book that attempts to to accomplish that task. By rearranging the chapters of the book of Jeremiah into what he believes is the proper chronological order, R Lau, gives meaning and context to the enigmatic words of the prophet. While one can accept or reject the particulars of R Lau's analysis, the approach is refreshing and interesting. The parallels to modern day Israel's political situation give the reader much food for thought. Still, I would have liked to see some discussion as to how R Lau understands the thematic purpose under which the chapters were arranged by the original biblical author.
