BORING!

By BlahBlahBlah

Worst investment ever made and I blame whichever jerk that designed my leadership course.

This book was nothing but walls of dry text and scientific studies.

How practical is it to teach leadership from purely academic research papers?

content identical to US edition

By nick s

International edition is identical to the standard edition - while I agree with the other comments that the content itself is pretty bad, most of us aren't reading this for pleasure, but instead because we're required to for class. 5 stars for saving me money
