great kid's book

By N. Uzoff

An adult might find the storylines a bit repetitive but my 3 year old loves all of the Lars books. We got her some at xmas and she was so pleased that we bought all the others for her birthday 5 months later and she wants them read to her over and over. She even 'reads' them to her younger brother!

Great Book

By Cat's Meow

My nephews love all the little polar bear series by Hans de Beer, and so do I. Great illustrations, he meets animals that he makes friends with, and a nice ending. I'd can recommend them all.

Adorable...

By Adam Jimenez

Adorable book with a precious story matched with perfect illustrations. I used this book for people to write sweet notes in at my daughter's 1 year party that was themed hot air balloons.
