The Freedom Every Person Should Live With

By Todd Black

The Son of God said "Ye shall know the truth and the truth shall make you free". This book has provided a very straight-forward explanation of demons and how they work. The reality of experiences the author shares have been very helpful to me and dozens of others in our church. I'm very thankful this book was introduced

to me as it has helped me receive deliverance, and I've been able to help many others to deliverance from the bondage of the adversary.

Those who deny the kingdom of the adversary and/or its existence WITHIN the lives of people are living proof of the subtlety that kingdom propagates. (1 Cor 2:14) Every Christian should read this book, get honest and humble before God. **We ALL NEED DELIVERANCE.**

Ever wonder where some of those evil thoughts in your head come from? They're not always from external attacks. Many are from the inside.

The information in this book will help anyone who has ever thought, "Well, this is just the way I am, I've tried to change but I just can't." Be not dismayed. By the power and authority of Jesus Christ, you can be delivered. Are you a procrastinator? Lazy? Worry Wart? Don't put it off any more...order the book and start down the road to spiritual recovery. Praise be to God who desires you to be free indeed.

"A Spiritual Guide to the Unseen Spiritual Realm"

By A Customer

This is a profound work for a mature person, for the inquisitive, for the wondering, for those who are involved with deliverance of addictive behavior.

This is one of the best books around to educate a spirit filled person on demonic activity. This compilation of interesting helps and hints is easy to read, is well laid out, is a superb sourcebook.

The person who will benefit is the one who has some spiritual insight and believes they are a soldier in a universal battle against the work of the dark ones.

A book you will reread. A book that you will use as a reference. A book that you will consider "One of the best books I ever read."

Excellent reference book. Beware though, only Pray where and for what God tells you to. Do not step out where you are not to be.
