4 of 5 people found the following review helpful.

Great handbook for practice

By Vegan Girl

I am in my final phase of psychiatric nurse practitioner program. This book was recommended by my professor. It is a great handbook to use at the bedside, short, concise, recommendations for treatment...and best of all pocket size!! Highly recommend.

Excellent Hand book

By Felicity Morgan

This is the most comprehensive hand book for psych students and professionals like. This is my 3rd copy - I use it constantly for writing my notes, confirming diagnosis, and correct terminology...Psych RN. Australia.
