Plus, he's threatening to turn Donner, Blitzen and the rest of the reindeer into soup! And look at the mess he's leaving under the tree!

How the brave but foolhardy sisters fly to the north pole and rescue Santa from his "deeply troubled" twin is an utterly charming and unforgettable story that will add sparkle to your holiday season.

The first major new Christmas story in decades, Santa's Twin is sure to bring joy that parents can share with their children. Lavishly illustrated with spectacular paintings by Phil Parks, this thoroughly modern masterpiece breathes new life and warmth into the world's most beloved legend

Read it aloud, preferably to someone whose laugh you love to hear.

Delightfully Different Xmas Tale

By NYCPickyMom

Dean Koontz is my favorite writer, so despite my daughter only being 2, I had to get this for her. It has gorgeous illustrations and rhyming text. Santa's twin brother decides to tie Santa up and ruin Xmas. He's tired of being outshined by his brother, Santa and decides to make everyone hate him instead. He lands in a house and leaves horrible presents and ruins their house but his plans are foiled by the two sisters who live there. They overhear what he's done and decide they are the only ones who can save Santa. They rescue Santa and scold his evil twin. Why what would your mother think, they ask him and he realizes the err of his ways. This book is fun reading with wacky descriptions and imaginable ryhmes. The last page asks you if you noticed all the snowmen hiding on each page. They watch over us and report back to Santa. How else would Santa know who's been naughty or nice. My sister and mother in law had a blast trying to find the snowmen. This is a wonderful Xmas tale thet kids will delight in. It isn't scary at all, it's more comical.

Very fun book from a great story teller

By The tall guy

My daughter loved this book as a child. It was lost, and we found a replacement. May not be appropriate for really young kids.

Know your kids maturity level.

Koontz never ceases to impress me

By A Customer

I'm 36 and bought the book for myself! It will be an annual Christmas Eve tradition. I read it to my two nieces - 8 & 11 - and they enjoyed almost as much as i did. I especially loved the line - "they could do it. They were sisters" since I love to stress the importance of this relationship to these sisters. The humor he uses throughout makes it a joy to read again and again. the illustrations are gorgeous - and we had fun searching for the artist's signature within the artwork.
