Merely conserve the asked for book downloaded and after that you can enjoy the book to review whenever as well as area you want.

THE CLASSIC CUISINE OF THE ITALIAN JEWS: TRADITIONAL RECIPES AND MENUS AND A MEMOIR OF A VANISHED WAY OF LIFE BY EDDA SERVI MACHLIN PDF

This highly praised book has itself already become a classic cookbook, and is also a fine source of information concerning the day-to-day life of the vanished Jewish communities of Italy. The recipes, all of which are kosher, are clearly written, most with a commentary of the history of the dish and how best to serve it. Author draws the cooking from her homeland in Pittigliano, Tuscany and the recipes of her Italian-Jewish culture, including holidays and dietary laws.

MMM, yum, great recipes

By Ellen Goldin

A beautiful book, with stories of the writer's community, and the life of Jews in Italy before WWII. Her recipes are clearly written, and, having had and used the book for years, I can say that I never found a bad recipe.

Her vegetable dishes are the best, kosher tuscan cuisine. I learned a new and optimum way of preparing spinach from this book that I use frequently. And also this book has been a good source for new holiday food.

The recipes are excellent and so is the cultural history.

By Debby Segura (seguralaw@earthlink.net)

When I opened The Classic Cuisine of the Italian Jews, I was enchanted to learn about a culture I had only heard of in passing. As I began to cook from the recipes, I began to learn about Italian Jewry from the flavors, textures and aromas of the foods. Machlin's descriptions of the Holidays in Pitigliano are beautiful and the Holiday foods that she teaches to reader to make only enhance the image of a vivid, unique and beautiful culture we can only seek to admire from afar in our time.

Classic dishes, such as roasted chicken for Shabbat and Challah have become weekly staples at our house.

Mushroom risotto and onion foccacias are so simple and so good. While it is possible to admire Machlin's writing in private, her story and her cuisine must be shared to be fully appreciated.

4 of 5 people found the following review helpful.

The lost paradise of Pitigliano

By Polymathicus

I do not actually own this book, as I bought it for a friend of mine.

However, I had it in my hands a few times: Edda Machlin Servi is (was?) the last representative of a once flourishing jewish community in Pitigliano, on a pitoresque cliff at the very bottom of Toscana.

Machlin Servi has done her best to preserve the excellent recipes from olde times, as well as the magic spirit of Pitigliano (this town was once a prominent centre of learning for italian jewry. Wanna know more? Google it and you will find a good site with pics).

Great cuisine and great history: a combo worth having.

PS The pics are good too.
