some hilarious animal moments

By Julie Ryan

I immediately identified with romantic dare devil Kat Mason as she tries to look after her new inheritance and countless waifs and strays. There are some hilarious animal moments that will have you smiling to yourself if not laughing out loud. On the other hand I found it difficult to like playboy heartthrob Dougie Everett. Watching the relationship develop between these two was fascinating, especially when the author manages to totally change the reader's preconceptions.

Kat's friend, beautician Dawn is another great character. The only mud she has seen before is in a face-pack so when she visits Kat deep in the countryside, it's a million miles away from the cruise ships she's used to. Consequently, the reader is in for some hilarious moments.

All in all, some great characters and an ideal holiday read although from a personal point of view, the novel is on the lengthy side and removing some of the padding would make for an even better read.

Another great read

By Tonia Kennedy

Another great read from Fiona Walker. I love how all her books intertwine characters from her previous novels. Finished this book in record time and now can't wait for her next one!

I loved this book

By Julie Roscoe

I loved this book. I was actually sad when I finished reading it as I felt that I really got to know the characters and wanted to continue on with their journeys with them.
