Great book but..

By Lester Young

This is a fantastic book. I loved it!

- I especially loved it when the money for the purchase of it went to Anne Frank and not to a pirate stealing the book and publishing it here himself.

This edition looks definitely like a stolen copyright to me.

Imagine a person who would steal from Anne Frank..

I wrote a lot more about this but they wouldn't post the review. That's why the review begins so oddly.

Anne Frank Organization have been informed. Amazon too.

If it's not stolen it's easy enough for a legitimate publisher to prove. Just ask Amazon to investigate your legal right.

Until then customers should really buy a different edition, of which there are many from very large publishers with names.

Oh and contact Amazon urgently and The Anne Frank Organization via their website. This edition is on the bestseller lists already because it was specially put up to trick people for Holocaust Remembrance Day..

Someone really needs to take strong and immediate legal action on this.

Annoying girl

By M. Boston

Just hated it. She is a sassy, arrogant, and self-centered girl.
