THE LAW OF ATTRACTION, PLAIN AND SIMPLE: CREATE THE EXTRAORDINARY LIFE THAT YOU DESERVE BY SONIA RICOTTI PDF

Readers of The Law of Attraction, Plain and Simple can live the life of their dreams, their "greatest life," by applying Sonia Ricotti's eleven simple steps to enjoy freedom and inner peace in every area of life.

The Law of Attraction states that we attract into our lives what we project into the universe. Written in concise, plain English and filled with stories, tips, and exercises, this book helps readers shift their thoughts, language, and emotions to emit positive vibrations and attract all they want in life. Using the eleven steps in this book, readers stop projecting negative energy and learn to project positive energy--at all times. The eleven steps include:

- * Decide What You Want
- * Choose Your Thoughts and Feelings
- * Unleash the Past
- * Keep the End in Mind
- * Connect Mind, Body, and Spirit
- * Choose Your Friends Carefully
- * Allow It (allow what you attract to arrive)

With The Law of Attraction, Plain and Simple, Ricotti successfully strips away the esoterica often associated with Law of Attraction books, to present this universal law in a simple, commonsense, psychologically grounded way.

This book is a wonderful reinforcement of how the brain is such a powerful ...

By lilpt

This book is a wonderful reinforcement of how the brain is such a powerful tool in our ability to be successful or not. Literally it is all in our head. I have enjoyed reading this over and over to reinforce the information. It's a fairly quick read but all information is important and relevant and would be a good book for anyone that wants to be successful.

The Law of Attraction, Plain and Simple

By Roberta R. Pease

I have "known" all my life that I created my reality - as opposed to imagining the possibilities but not knowing how the Law of Attraction works. This book reminded me that the very first step to achieving success is to imagine that which you would have. However without consistent attention we become distracted and forget what we are about. Like all Laws this one requires effort (as the book stated). So with the reminders in this book we can all realize that we draw into our lives what we think about from minute to minute - not what we desire or fear but what we think about when we aren't aware we are thinking. Try it! Thanks for this little book. I appreciate it.

Very easy to read book that tells it plain and simple

By Marla David

Very easy to read book that tells it plain and simple, like the title states. I found it to the point without a lot of hoo-hah. Great book to take on a short flight. It is also a good book to go back to from time to time as it doesn't take long to get reacquainted.
