Some of these stories although fictional are based on the real life accounts and dreams of Middle Americans. A slower time in America when the front porch was still in use most afternoons and evenings when we were all active in different ways prior to the computer age, although not without its problems, and I might add its adventurous times.

## Most helpful customer reviews

0 of 0 people found the following review helpful.

Books includes both great poetry and good stories.

By Laural

I loved this book. It contains some good stories and wonderful poetry, which is my favorite. I love Ken's poetry. We are proud to know this local author and enjoy knowing some of settings he included in his poetry. Very visual, I can picture myself sitting on a bench on our lovely Constitution trail and seeing the animals he saw!
