The Spirit World

By Azraelina Santisima Rakoczy

This is one of the " Best " books that i have read on the Spirit World from a Biblical Point of View ! The Author really gets way into it and with great detail on what happens to us after we die, what we will see, where we will go, what state we will be in etc. And he uses Biblical Scriptures to back up everything that he says. He even talks about the Rapture which most Christians Sadly don't believe in. The only thing about the book that i did not agree with is that he says that there is No such thing as Purgatory. And myself being a " Roman Catholic " did not agree with that part, Not because the Church says so but because of these two books : Hungry Souls & Purgatory Explained which gives detailed accounts of the Souls from Purgatory who visited the Saints and other holy pious people. But this book is really Great, i would Highly

Recommend it to anyone wanting to know more about the Spirit World and what happens to us after we Die from a Biblical Point of view.

Spirit World, engaging, detailed, scriptural and easy to understand.

By Regina DelValle

Clarence Larkin is easy to read. highly detailed and specific about a topic that is certainly complex. He brings clarity and scriptural basis 100% to the discussion of evil, Good, heaven, hell, origins of spiritual beings, God's plan and overarching purpose and character in the entire scheme of the spiritual existence and mankind. It is a must read for every person who questions our eternal existence and purpose.
