So, the way for you to obtain this [The Watson Novels By Ann Mychal](#) will be so simple, won't you?

THE WATSON NOVELS BY ANN MYCHAL PDF

Gathered together in one volume, Ann Mychal's novels 'Emma and Elizabeth' and 'Brinshore' are inspired by Jane Austen's unfinished manuscripts.

'Emma and Elizabeth', inspired by 'The Watsons', contrasts the fortunes of the Watson sisters in a world where the alternative to marriage is poverty. Emma returns to her family penniless when her widowed guardian remarries. At a local assembly she is admired by more than one suitor, but her lack of fortune has the potential to ruin her happiness. Elizabeth, a woman on the verge of spinsterhood, has little hope of love. But when duty to the family is tested, one sister is obliged to sacrifice her own happiness for the sake of the other.

Set in Surrey in 1795, Emma and Elizabeth blends passages from the original fragment into the narrative, creating a unique story which is faithful to Jane Austen's style and subject matter.

‘Written with an astute knowledge of the time period and an unmistakable devotion to Jane Austen and her world, Emma and Elizabeth is a deeply satisfying read...’ - Austenesque Reviews

A sequel to 'Emma and Elizabeth', 'Brinshore', inspired by 'Sanditon', opens in 1816. Miss Osborne and Miss Musgrave will spend the summer at a little known paradise on the south coast of England. Not far away, Captain Blake is intent on fulfilling a solemn promise.

‘Ann Mychal’s Austenesque prose is a delight...’ - Jane Austen’s Regency World

Ann Mychal was awarded ‘Best Debut Author’ by Austenprose for 'Emma and Elizabeth' in 2014.

Delightful - a must read for Jane Austen fans!

By sarah

Delightful stories set in the world of Jane Austen's books - I really enjoyed both books.

Both Watson Novels have really engaging heroines who I found myself emotionally connected to right away. 4 Stars. Emma And Elizabeth is the story of a poor girl raised by well-off relations. Her entire world is destroyed when her uncle dies and her aunt marries a fortune-hunter and completely forgets about her niece Emma. Sent back home to the family she left as a child, Emma's goodness and kindness see her through some tough situations. The brutal realities of life are more clearly discussed and described by Ann Mychal than Jane Austen, but the charm and wit shine on both.

5 stars. Brinshore is the story of Emma's grown daughter (also named Emma) and her adventures in first love, infatuation, and growing up. Most of the story takes place in the quiet seaside town of Brinshore, as Emma and her cousin and best friend blossom while enjoying a little freedom when they stay with their aunt. I thought Brinshore was a bit more delightful, the dialogue more sparkling, and the story more original, although both were wonderful.

My only complaint is that I do wish some of the dialogue had more attributions - it was a little hard to follow who said what during some of the conversations, but this is a minor quibble.

Highly recommended!

I was lucky enough to win this book through a blog contest.
